

**C2R2MAX**

Version 02 – 02 April 2009

**G31**

**CLUTCH CABLE**

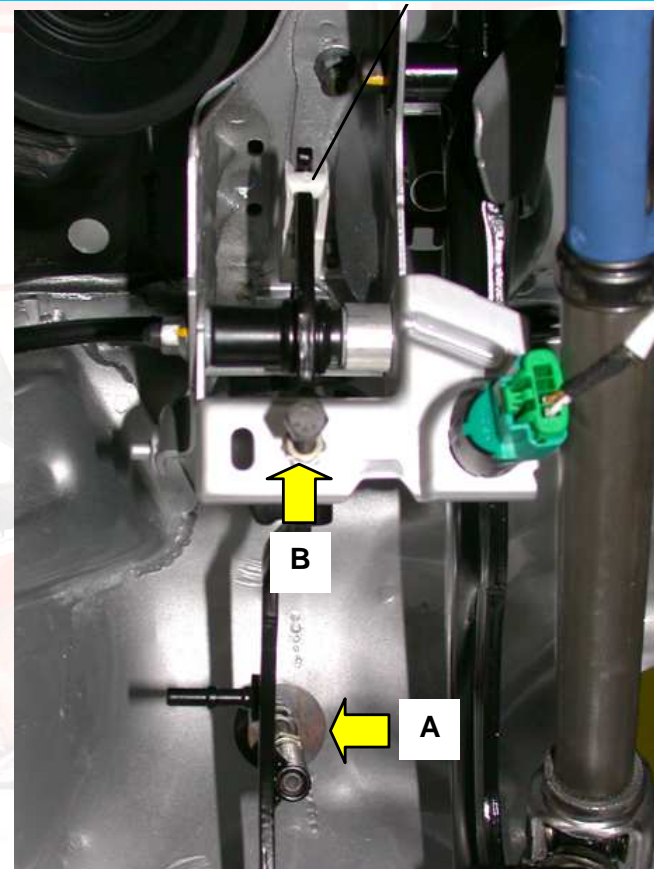

**⚠ Remember to free the upper end stop (B) and the bottom end stop (A) of the pedal before fitting, so that the cable is not constrained during fitting.**

Fit the cable on the clutch pedal, the plastic cable stop on the pedal support, and the panel grommet on the fire-wall
